CHECKLIST

Protecting Your Finances: Action Checklist

- [ ] Open a solo current account at a new bank and redirect your wages there
- [ ] Transfer your savings to an account the other person cannot access
- [ ] Set a password on your credit file with Equifax, Experian and TransUnion
- [ ] Check your credit report for accounts you did not open
- [ ] Open a bills-only account and move rent money there automatically
- [ ] Keep records of every payment you make towards shared costs
- [ ] Tell the bank to freeze any joint account if the other person will not agree to close it
